Pooled Campus Placement for Kaashvi Industries JPM Group Company

DCE/TPO/4711

26 March 2009

There is an opportunity for campus placement with JPM Group Co. Kaashvi Industries, is a part of the multi-crore J. P. M Group of Companies. The Group's turnover exceeds 1000 crores. Kaashvi Industries is increasingly covering the market in India's automobile sector with complete range of Cars, Trucks (LCVs & HCVs), Tractors, Inverters and UPS Batteries. We have our registered office at Hissar (Haryana) with corporate office at Delhi & Factory at Roorkee, Kaashvi Industries. It offers a complete range of Automotive and Inverter Batteries by the brand name ACE.

After starting manufacturing auto components in year 1959 JPM has come a long way to emerge as a group with a fleet of companies encompassing a variety of products. JPM group has developed "wide-ranging and unique technologies in electrical, mechanical, and electronic equipment, as well as their systems applications". This has led to the development of various electromechanical products, including lock sets, door latches, switches, sensors, and controllers. To emerge as a truly "Global" player in automotive components, JPM Group has planned a lot including establishments of new state of art manufacturing units, joint venture with world leaders in Battery manufacturing and establishment of business offices abroad.

JPM has a joint venture with Kaashvi Industries, which has brought Kaashvi to be counted amongst the top league. Today KAASHVI is one of the top 10 market players in the power backup systems Industry.
