

On - Campus Placement for MNC's

DCE/TPO/ 4710

3 Apr 2008

There is an opportunity for campus placement organized by NASCOMM and MeritTrac. NASSCOM has introduced **NAC-Tech** (NASSCOM Assessment of Competence-Technology), a national assessment and certification program for candidates seeking employment in the Indian IT and Engineering Industries. MeritTrac, India's Largest Skills Assessment Company and exclusive assessment partner of NASSCOM for conducting NAC-Tech.

**About NAC-Tech** : NAC-Tech is conceived as an industry standard assessment and certification program to ensure the transformation of a "trainable" workforce into an "employable" workforce and to create a robust and continuous pipeline of talent for the IT/Engineering Industry. NASSCOM Initiative to increase employability of fresh engineers especially in upcountry locations by having a standardized assessment model, which is endorsed by Companies.

For more information please visit: <http://www.nac.nasscom.in/nactech/Default.aspx>
