

Faculty Development Program on Java Fundamentals and Java Programming

Mrs. Poonam Yadav (Assistant Professor) from Electronics and Computer Engineering Department of Dronacharya College of Engineering, Gurgaon attended a 5 day Faculty Development Program on “Java Fundamentals and Java Programming” organized by Oracle Academy at Bharati Vidyapeeth College, New Delhi from 27th -31st July 2015.

The workshop provided a platform for faculty members to get trained in the advancements in Java Fundamentals and Java Programming. The objective was to provide guidance in object oriented programming concepts and developing projects using Greenfoot. The session was attended by academicians from different colleges all over the country.
